ASSEMBLY INSTRUCTIONS - WARNING

In order to reduce any risk of accident or injury, it is advisable to take the precautions listed here below: these brake pads are to be mounted **exclusively** on motorcycles and scooters listed on the approved application list. Always follow the manufacturer's mounting instructions and make sure the brake pads are mounted by qualified personnel only. The brake pads should always be replaced when the thickness of the friction material reduces to 2mm. The manufacturer cannot be considered liable for use of the brake pads under conditions beyond his control. Sintered brake pads should be used only for calipers originally equipped by the manufacturer with sintered brake pads.

- All the brake pads fitted on the wheel must be replaced at the same time.
- New brake pads should be kept constantly clean and must not show any evidence of dirt, oil or other contaminants. The braking lanes of the discs shall not be lubricated with grease or other lubricant.
- Particular attention should be paid to the cleaning of the location of the brake pad set: any product which could damage the gaskets is to be avoided (i.e.nitro-perchlor thinner, gasoline or trichloroetylene).
- The fluid inlet pipe to the caliper must never be disconnected.
- When present, remove the pins and springs that retain the pad.
- Disassemble the brake caliper and widen the pistons using the old pads as a lever with a clamp or screwdriver until the pistons are completely in the caliper.
- Fit the pads, taking care to insert them with the friction material facing the disc.
- Mount the caliper on the adaptor.
- Activate the brake caliper until the pads have touched the disc.
- Avoid heavy braking for the first 160 Kms (100 miles) to improve the adaptability of the new pads to the brake disc.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain

limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

ISTRUZIONI DI MONTAGGIO - AVVERTENZE

Per limitare i rischi di incidente o di infortunio osservare le seguenti precauzioni: montare le pastiglie freno contenute nella confezione **esclusivamente** su veicoli presenti nella lista di applicazioni approvate. Seguire le modalità di montaggio delle pastiglie come da istruzioni della casa costruttrice e affidarne lo stesso solo a personale qualificato. Le pastiglie devono sempre essere sostituite ad uno spessore minimo del materiale d'attrito di 2 mm. La responsabilità del produttore è strettamente vincolata alle condizioni dell'uso delle pastiglie stesse. L'uso di pastiglie sinterizzate è previsto solo per pinze originariamente dotate di pastiglie sinterizzate dalla casa produttrice.

- Tutte le pastiglie montate sulla ruota devono essere sostituite contemporaneamente.
- Le pastiglie nuove devono essere mantenute costantemente pulite e non devono presentare tracce di sporco, olio o altre sostanze contaminanti. Le piste frenanti dei dischi non devono essere lubrificate con grasso o altro lubrificante.
- Nell'effettuare la pulizia della sede delle pastiglie è consigliabile evitare l'utilizzo di prodotti potenzialmente dannosi alle guarnizioni in gomma (ad esempio percloro-azoto, benzina, tricloro-etilene).
- Il tubo di ingresso del fluido nella pinza non deve mai essere scollegato.
- Quando presenti, rimuovere i perni e le molle che fermano la pastiglia.
- Smontare la pinza freno ed allargare i pistoni usando le vecchie pastiglie come leva con un morsetto o cacciavite fino a che i pistoni non siano completamente nella pinza.
- Montare le pastiglie avendo cura di inserirle con il materiale d'attrito rivolto verso il disco.
- Rimontare la pinza sul supporto.
- Attivare la pinza del freno fino a che le pastiglie non hanno toccato il disco.
- Evitare di effettuare brusche frenate per i primi 160 km. (100 miglia), al fine di migliorare l'adattabilità delle nuove pastiglie al disco freno.

LIMITI DI GARANZIA

Questo prodotto è garantito dalla casa costruttrice esente da difetti di lavorazione e di materiali per un periodo di 30 giorni dalla data di acquisto originale da parte del consumatore. **NON ESISTONO ALTRE GARANZIE ESPRESSE. LE GARANZIE IMPLICITE SONO LIMITATE AD UN PERIODO DI 30 GIORNI DALLA DATA DI ACQUISTO, IVI COMPRESA LA GARANZIA DI COMMERCIABILITA' O DI ADEGUATEZZA PER UNA PARTICOLARE APPLICAZIONE.** Per qualsivoglia reclamo durante il periodo di garanzia è possibile rivolgersi presso il rappresentante, debitamente muniti della prova di acquisto. Il produttore si riserva di definire come unico e solo rimedio concesso ai termini delle Garanzia esplicita sopra esposta e di ogni garanzia implicita, la riparazione o la sostituzione della parte difettosa (o delle par ti difettose).*

IL PRODUTTORE NON POTRA' IN NESSUN CASO ESSERE CONSIDERATO RESPONSABILE DI DANNI ACCESSORI, INTERESSI, SPESE LEGALI O PENALI, INDIPENDENTEMENTE DAL FATTO CHE L'AZIONE SIA BASATA SU CONTRATTI, GARANZIE, NEGLIGENZE O RESPONSABILITA' DI DIRITTO.

*Nota – I limiti di durata di una garanzia implicita non sono consentiti in alcuni paesi, né sono permesse esclusioni o limitazioni di danni accessori o interessi. Per tale motivo in casi come questi, alcune limitazioni ed esclusioni di garanzia possono non avere effetto in alcuni paesi. Tramite questa garanzia potete beneficiare di alcuni specifici diritti legali, altri diritti possono essere variati da paese a paese.

MONTAGEANLEITUNGEN - WARNUNG

Um das Unfall- oder Verletzungsrisiko zu verringern, ist es ratsam, die nachfolgend aufgeführten Vorsichtsmaßnahmen zu berücksichtigen: Diese Bremsbeläge dürfen **ausschliesslich** an Motorrädern und Rollern montiert werden, die in der Liste aufgeführt sind. Befolgen Sie immer die Montageanweisungen des Herstellers und stellen Sie sicher, dass die Bremsbeläge nur von qualifiziertem Personal montiert werden. Die Bremsbeläge sollten immer ausgetauscht werden, wenn die Dicke des Reibmaterials auf 2 mm Zoll abnimmt. Der Hersteller kann nicht für die Verwendung der Bremsbeläge unter Bedingungen haftbar gemacht werden, die außerhalb seiner Kontrolle liegen. Sinterbremsbeläge sollten nur für Bremssättel verwendet werden, die ursprünglich auch ursprünglich seitens des Herstellers mit Sinterbremsbelägen ausgestattet wurden.

- Alle am Rad befindlichen und montierten Bremsbeläge müssen zeitgleich ausgetauscht werden.
- Neue Bremsbeläge sollten stets sauber gehalten werden und dürfen keine Schmutz-, Öl- oder andere Verunreinigungen aufweisen. Die Bremswege der Bremsscheiben dürfen nicht mit Fett oder einem anderen Schmiermittel geschmiert werden.
- Besondere Aufmerksamkeit sollte der Reinigung des Sitzes der Bremsbeläge gewidmet werden: jegliche Produkte, die die Dichtungen beschädigen könnten, sind zu vermeiden (z. B. Nitroverdünner, Benzin oder Trichlorethylen).
- Die Flüssigkeitszuleitung zum Bremssattel darf niemals getrennt werden.
- Entfernen Sie, falls vorhanden, die Stifte und Federn, die die Beläge halten.
- Bremssattel demontieren und die Kolben mit Hilfe der alten Beläge als Hebel mit einer Schelle oder einem Schraubendreher aufweiten, bis die Kolben vollständig im Bremssattel sitzen.
- Die Beläge montieren und dabei darauf achten, dass das Reibmaterial zur Scheibe zeigt.
- Montieren Sie den Bremssattel auf dem Adapter.
- Bremssattel betätigen, bis die Beläge die Scheibe berührt haben.
- Vermeiden Sie auf den ersten 160 km (100 Meilen) starkes Bremsen, um die Anpassungsfähigkeit der neuen Beläge an die Bremsscheibe zu verbessern.

EINGESCHRÄNKTE GARANTIE

Der Hersteller garantiert, dass dieses Produkt ab dem Kaufdatum des Verbrauchers keine Material- und Verarbeitungsfehler aufweist. **ES BESTEHEN KEINE ANDEREN AUSDRÜCKLICHEN GEWÄHRLEISTUNGEN. STILLSCHWEIGENDE GEWÄHRLEISTUNGEN SIND AUF 30 TAGE AB DEM KAUFDATUM BEGRENZT, UND DIE GEWÄHRLEISTUNG DER HANDELSFÄHIGKEIT ODER EIGNUNG FÜR EINE BESTIMMTE ANWENDUNG IST ENTHALTEN.** Bei Gewährleistungsansprüchen wenden Sie sich bitte unter Vorlage des Kaufbelegs an den jeweiligen Händler. Die Reparatur oder der Austausch der/des fehlerhaften Teiles/Teile gelten als einzige Abhilfe im Rahmen der oben genannten ausdrücklichen Garantie und jeder stillschweigenden Garantie nach alleinigem Ermessen des Herstellers.*

DER HERSTELLER WIRD UNTER KEINEN UMSTÄNDEN FÜR ZUFÄLLIGE FOLGESCHÄDEN, GESETZLICHE ODER EXEMPLARISCHE SCHÄDEN HAFTBAR GEMACHT, GLEICH, OB DIE AKTION AUF VERTRAG, GEWÄHRLEISTUNG, FAHRLÄSSIGKEIT ODER GEFÄHRDUNGSHAFTUNG BEGRÜNDET IST.

*Anmerkung – In einigen Ländern sind zeitliche Beschränkungen einer stillschweigenden Garantie nicht zulässig, noch sind Ausschlüsse oder Beschränkungen von zufälligen Schäden oder Zinsen zulässig. Daher sind in solchen Fällen bestimmte Einschränkungen und Garantieausschlüsse in einigen Ländern möglicherweise nicht wirksam. Durch diese Garantie können Sie von bestimmten spezifischen gesetzlichen Rechten profitieren, andere Rechte können von Land zu Land variieren.

INSTRUCTIONS DE MONTAGE - AVERTISSEMENTS

Afin de réduire tout risque d'accident ou de blessure, il est conseillé de prendre les précautions suivantes: ces plaquettes de frein sont à monter **exclusivement** sur les motos et les scooters figurant sur la liste des applications approuvées. Suivez toujours les instructions de montage du fabricant et assurez-vous que les plaquettes de frein soient montées uniquement par du personnel qualifié. Les plaquettes de frein doivent toujours être remplacées lorsque l'épaisseur du matériau de friction est réduite à 2mm. Le fabricant décline toute responsabilité en cas d'utilisation des plaquettes de frein dans des conditions indépendantes de sa volonté.

Les plaquettes de frein frittées doivent être utilisées uniquement pour les étriers équipés à l'origine par le fabricant de plaquettes de frein frittées.

- Toutes les plaquettes de frein montées sur la roue doivent être remplacées en même temps.
- Les plaquettes de frein neuves doivent être constamment propres et ne doivent pas présenter de taches de saleté, d'huile ou d'autres contaminants. La surface freinant des disques ne doit pas être lubrifiée avec de la graisse ou d'autre lubrifiant.
- Une attention particulière doit être portée au nettoyage de l'emplacement du jeu de plaquettes de frein: tout produit pouvant détériorer les joints est à éviter (ex : diluant nitro-perchlor, essence ou trichloroéthylène).
- Le tuyau d'arrivée de liquide à l'étrier ne doit jamais être débranché.

- Lorsqu'ils sont présents, retirer les goupilles et les ressorts qui retiennent la plaquette.
- Démonter l'étrier de frein et élargir les pistons en utilisant les anciennes plaquettes comme levier avec une pince ou un tournevis jusqu'à ce que les pistons soient complètement dans l'étrier.
- Monter les plaquettes en prenant soin de les insérer avec le matériau de friction face au disque.
- Monter l'étrier sur l'adaptateur.
- Activer l'étrier de frein jusqu'à ce que les plaquettes aient touché le disque.
- Éviter les freinages brusques pendant les 160 premiers kilomètres (100 milles) afin d'améliorer l'adaptabilité des nouvelles plaquettes au disque de frein.

LIMITES DE GARANTIE

Ce produit est garanti par le fabricant comme n'ayant aucun défaut de matériaux et de fabrication à compter de la date d'achat par le consommateur**. AUCUNE AUTRE GARANTIE EXPLICITE N'EXISTE. LES GARANTIES IMPLICITES SONT LIMITÉES À 30 JOURS À COMPTER DE LA DATE D'ACHAT ET LA GARANTIE DE QUALITÉ MARCHANDE OU D'ADÉQUATION À UNE APPLICATION PARTICULIÈRE EST INCLUSE.** En cas de réclamation au titre de la garantie, les clients sont priés de s'adresser au revendeur, en fournissant une preuve d'achat. La réparation ou le remplacement de la ou des pièces défectueuses doivent être considérés comme le seul recours en vertu de la garantie explicite mentionnée ci-dessus, et de toute garantie implicite, à l'entière discrétion du fabricant.*

LE FABRICANT NE SERA EN AUCUN CAS CONSIDÉRÉ RESPONSABLE DE TOUT DOMMAGE ACCESSOIRE, CONSÉCUTIF, LÉGAL OU EXEMPLAIRE, QUE L'ACTION SOIT BASÉE SUR UN CONTRAT, UNE GARANTIE, UNE NÉGLIGENCE OU UNE RESPONSABILITÉ STRICTE.

*Remarque - Dans certains pays, les limites de durée d'une garantie implicite ne sont pas autorisées, pas plus que les exclusions ou limitations de dommages accessoires ou d'intérêts ne sont autorisées. Par conséquent, dans de tels cas, certaines limitations et exclusions de garantie peuvent ne pas être effectives dans certains pays. Grâce à cette garantie, vous pouvez bénéficier de certains droits légaux spécifiques, d'autres droits pouvant varier d'un pays à l'autre.

INSTRUCCIONES DE MONTAJE - ADVERTENCIAS

Para limitar el riesgo de accidentes o lesiones, tome las precauciones siguientes: monte las pastillas de freno contenidas en el pack **únicamente** en los vehículos que figuran en la lista de aplicaciones aprobadas. Realice el montaje de las pastillas según las instrucciones del fabricante y encargue su instalación únicamente a personal cualificado. Las pastillas deben sustituirse siempre con un espesor mínimo del material de fricción de 2 mm. La responsabilidad del fabricante está estrictamente ligada a las condiciones de uso de las propias pastillas. El uso de pastillas sinterizadas sólo está previsto para pinzas equipadas originalmente con pastillas sinterizadas por el fabricante.
- Todas las pastillas montadas en la rueda deben sustituirse al mismo tiempo.

- Las pastillas nuevas deben mantenerse permanentemente limpias y sin trazas de suciedad, aceite ni otros contaminantes. Las pistas de rodadura de los discos de freno no deben lubricarse con grasa ni ningún otro lubricante.
- Al limpiar el asiento de las pastillas, es aconsejable evitar el uso de productos potencialmente dañinos para las juntas de goma (por ejemplo, percloro-nitrógeno, gasolina, tricloroetileno).
- El tubo de entrada de fluido a la pinza no debe desconectarse nunca
- En su caso, retirar los pasadores y muelles que sujetan la pastilla.
- Desmontar la pinza de freno y ensanchar los pistones utilizando las pastillas viejas como palanca con una pinza o un destornillador hasta que los pistones estén completamente dentro de la pinza.
- Colocar las pastillas teniendo cuidado de insertarlas con el material de fricción orientado hacia el disco.
- Volver a montar la pinza en el soporte.
- Accionar la pinza de freno hasta que las pastillas toquen el disco.
- Evita frenar bruscamente durante los primeros 160 km. (100 millas), para mejorar la adaptabilidad de las pastillas nuevas al disco de freno.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase**. NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

ИНСТРУКЦИИ ЗА МОНТАЖ – ПРЕДУПРЕЖДЕНИЯ

За намаляване на риска от злополука или нараняване спазвайте следните предпазни мерки: монтирайте спирачните накладки от опаковката **само** на превозни средства, включени в списъка с одобрени приложения. Следвайте инструкциите на производителя за монтаж на накладките и го възлагайте само на квалифициран персонал. Накладките трябва да се сменят винаги при

минимална дебелина на фрикционния материал от 2 мм. Отговорността на производителя е тясно свързана с условията на употреба на самите накладки. Използването на синтеровани накладки е предвидено само за челюсти, първоначално оборудвани със синтеровани накладки от производителя.

- Всички накладки, монтирани на колелото, трябва да се сменят едновременно.
- Новите накладки трябва да се поддържат чисти през цялото време и да не показват следи от замърсяване, масло или други вредни вещества. Спирачната повърхност на дисковете не трябва да се смазва с грес или друг смазочен продукт.
- При почистване на гнездото за накладките, е препоръчително да избягвате използването на продукти, които са потенциално вредни за гумените уплътнения (например перхлор-азот, бензин, трихлоретилен).
- Тръбата за подаване на течност към челюстта не трябва да се разкачва никога.
- Ако има такива, отстранете щифтовете и пружините, които задържат накладката.
- Разглобете спирачната челюст и разширете буталата, като използвате старите накладки като лост със скоба или отвертка, докато буталата не се вместят напълно в челюстта.
- Монтирайте накладките, като внимавате да ги поставите с фрикционния материал, обърнат към диска.
- Монтирайте отново челюстта на супорта.
- Задействайте спирачната челюст, докато накладките не докоснат диска.
- Избягвайте рязко спиране през първите 160 км (100 мили), за да се подобри прилягането на новите накладки към спирачния диск.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

NÁVOD NA MONTÁŽ - VAROVÁNÍ

Pro omezení rizik nehody nebo úrazu dodržujte následující opatření: brzdové destičky, které se nacházejí v balení, montujte **výhradně** na vozidla uvedená v seznamu schválených aplikací. Při montáži dodržujte způsob montáže destiček dle pokynů výrobce a svěřte ji kvalifikovanému personálu. Destičky musí být vyměněny, když třecí materiál dosáhne minimální tloušťky 2 mm. Odpovědnost výrobce úzce souvisí s podmínkami použití samotných destiček. Použití spékaných destiček je určeno výhradně pro třmeny, které byly původně vybaveny spékanými destičkami výrobcem.

- Všechny destičky namontované na kole musí být vyměněny současně.
- Nové destičky musí být nepřetržitě udržovány v čistém stavu a nesmí obsahovat stopy nečistot, oleje nebo jiných kontaminujících látek. Brzdný povrch kotúčov nesmie byť namazaný mazacím tukom alebo iným mazivom.
- Při provádění čištění uložení destiček se doporučuje nepoužívat výrobky, které jsou potenciálně škodlivé pro gumová těsnění (například perchlor-dusík, benzin, trichlorethylen).
- Trubka pro vstup kapaliny do třmene nesmí být nikdy odpojena.
- Pokud jsou součástí čepy a pružiny, které zadržují destičku, odmontujte je.
- Odmontujte brzdovou destičku a roztáhněte písty tak, že použijete staré destičky jako páky pomocí svorky nebo šroubováku, aby byly písty zcela zasunuty do třmene.
- Namontujte destičky a dbejte přitom, aby byly vloženy tak, že třecí materiál bude obrácen směrem ke kotouči.
- Namontujte třmen na držák.
- Aktivujte brzdový třmen, dokud se destičky nebudou dotýkat kotouče.
- Během prvních 160 km (100 mil) se vyhněte prudkému brzdění, kvůli zlepšení přizpůsobení nových destiček brzdovému kotouči.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

MONTERINGSANVISNINGER - ADVARSLER

Med henblik på at begrænse risikoen for ulykker eller skader skal de følgende forholdsregler overholdes: Montér **udelukkende** bremseklodserne i pakken på køretøjer der findes på listen over godkendte anvendelser. Følg fabrikantens anvisninger om monteringsprincipperne og lad kun kvalificeret personale varetage monteringen. Bremseklodserne skal altid udskiftes, når friktionsmaterialets tykkelse når ned på 2 mm. Fabrikantens ansvar er strengt forbundet med selve bremseklodsernes brugsforhold. Brug af sintrede bremseklodser er kun forudset for bremsekalibre der oprindeligt er udstyret med sintrede bremseklodser af fabrikanten.

- Alle de monterede bremseklodser på hjulet skal udskiftes samtidigt.
- Bremseklodserne skal altid holdes rene og der må hverken være spor af snavs, olie eller andre forurenende stoffer. Bremseskivernes bremsespor må ikke smøres med smørefedt eller andre smøremidler.
- I forbindelse med rengøring af bremseklodsernes sæde bør man undgå at bruge produkter, som kan være skadelige for gummipakningerne (for eksempel nitrofortynder, benzin, trichlo rethylen).
- Kaliberens væskeindløbsrør må aldrig frakobles.
- Om forudset fjernes de stifter og fjedre, som fastholder bremseklodsen.
- Demontér bremsekaliberen og udvid stemplerne ved hjælp af de gamle bremseklodser, brugt som løftestænger sammen med en klemme eller skruetrækker indtil stemplerne sidder helt inde i kaliberen.
- Montér bremseklodserne og sørg for at friktionsmaterialet vender i retning af skiven.
- Genmontér kaliberen på understøtningen.
- Aktivér bremsekaliberen indtil bremseklodserne kommer i berøring med skiven.
- Undgå bratte opbremsninger under de første 160 km (100 mil), for at forbedre de nye bremseklodsers tilpasning til bremseskiven.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

PAIGALDUSJUHEND - HOIATUSED

Õnnetuste või vigastuste ohu vähendamiseks järgige järgmisi ettevaatusabinõusid: paigaldage pakendis olevad piduriklotsid **ainult** heakskiidetud rakenduste loendis olevatele sõidukitele. Paigaldamisel tuleb järgida tootja kirjeldatud meetodeid ja juhiseid; laske see toiming teha ainult kvalifitseeritud personalil. Klotside välja vahetamisel tuleb kasutusele võtta vähemalt 2 mm paksune hõõrdematerjal. Tootja on kohustatud rangelt arvestama klotside kasutustingimustega. Paagutatud metallist piduriklotside kasutamine on ette nähtud ainult pidurisadulate korral, mis olid algselt varustatud tootja valmistatud paagutatud metallist piduriklotsidega.

- Kõik rattale paigaldatud klotsid tuleb vahetada korraga.
- Uusi klotse peab hoidma puhtana ja neil ei tohi olla mustuse, õli või muude saasteainete jälgi. Ketaste pidurdusradu ei tohi määrida määrde või muude määrdeainetega.
- Klotsi pesa puhastamisel on soovitatav vältida selliste toodete kasutamist, mis võivad kahjustada kummitihendeid (nt perklorolämmastik, bensiin, trikloroetüleen).
- Pidurivedeliku sisselaskevoolikut on keelatud lahti ühendada.
- Kui need on olemas, siis eemaldage tihvtid ja vedrud, mis hoiavad klotsi paigal.
- Võtke pidurisadul lahti ja tõmmake kolvid laiali, kasutades vanu klotse klambri või kruvikeeraja abil hoovana, kuni kolvid on täielikult pidurisadulas.
- Paigaldage klotsid, nii et hõõrdematerjal oleks ketta poole.
- Paigaldage pidurisadul tagasi toele.
- Reguleerige pidurisadulat, kuni klotsid puudutavad ketast.
- Esimese 160 km (100 miili) jooksul vältige äkkpidurdamist, see aitab parandada uute klotside kohanemist pidurikettaga.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR**

FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED. In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

ΟΔΗΓΙΕΣ ΤΟΠΟΘΕΤΗΣΗΣ - ΠΡΟΕΙΔΟΠΟΙΗΣΕΙΣ

Για τον περιορισμό των κινδύνων ατυχήματος ή βλάβης ακολουθήστε τις ακόλουθες προφυλάξεις: τοποθετήστε τα πέλματα πέδης που περιέχονται στη συσκευασία **αποκλειστικά** σε οχήματα που αναφέρονται στη λίστα των εγκεκριμένων εφαρμογών. Για την τοποθέτηση των πελμάτων να ακολουθείτε πάντα τις οδηγίες του κατασκευαστή και να βεβαιώνεστε ότι η τοποθέτησή τους γίνεται μόνο από διαπιστευμένο προσωπικό. Τα πέλματα πρέπει να αντικαθιστώνται πάντα όταν το ελάχιστο πάχος του υλικού τριβής είναι 2 mm. Η ευθύνη του κατασκευαστή περιορίζεται αυστηρά στις συνθήκες χρήσης των πελμάτων. Η χρήση των φρυγμένων πελμάτων προβλέπεται μόνο για δαγκάνες που είναι εξοπλισμένες αρχικά από τον κατασκευαστή με φρυγμένα πέλματα.

- Ολα τα πέλματα που είναι συναρμολογημένα στον τροχό πρέπει να αντικαθιστώνται ταυτοχρόνως.
- Τα καινούργια πέλματα πρέπει να διατηρούνται συνεχώς καθαρά και δεν πρέπει να παρουσιάζουν ίχνη ακαθαρσίας, λαδιού ή άλλων ρυπαντικών ουσιών. Οι διαδρομές πέδησης των δίσκων δεν πρέπει να λιπαίνονται με γράσο ή άλλο λιπαντικό.
- Κατά τον καθαρισμό της έδρας των πελμάτων συνιστάται να αποφεύγετε τη χρήση προϊόντων που μπορεί να είναι βλαβερά για τα ελαστικά παρεμβύσματα (για παράδειγμα υπερχλωρικό-άζωτο, βενζίνη, τριχλωροαιθυλένιο).
- Ο σωλήνας εισόδου του υγρού στη δαγκάνα δεν πρέπει να αποσυνδέεται ποτέ.
- Εάν υπάρχουν, αφαιρέστε τους πείρους και τα ελατήρια που συγκρατούν το πέλμα.
- Αποσυναρμολογήστε τη δαγκάνα φρένου και διευρύνετε τα έμβολα χρησιμοποιώντας τα παλιά πέλματα ως μοχλό με ένα

  μορσέτο ή κατσαβίδι μέχρι να μπουν τα έμβολα πλήρως μέσα στην δαγκάνα.
- Τοποθετήστε τα πέλματα φροντίζοντας να τα εισάγετε με το υλικό τριβής στραμμένο προς τον δίσκο.
- Τοποθετήστε και πάλι τη δαγκάνα επάνω στη βάση.
- Ενεργοποιήστε τη δαγκάνα του φρένου μέχρι τα πέλματα να αγγίξουν τον δίσκο.

- Αποφύγετε να κάνετε απότομα φρεναρίσματα για τα πρώτα 160 km (100 μίλια), για τη βελτίωση της προσαρμογής των νέων πελμάτων στο δισκόφρενο.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

ASENNUSOHJEET - VAROITUKSET

Onnettomuuden tai tapaturman riskien rajoittamiseksi noudata seuraavia ohjeita: asenna pakkauksessa olevat jarrupalat **ainoastaan** hyväksyttyjen käyttökohteiden luettelossa oleviin ajoneuvoihin. Asenna jarrupalat valmistajan ohjeiden mukaan ja anna niiden asentaminen vain pätevän henkilökunnan tehtäväksi. Jarrupalat tulee aina vaihtaa, kun kitkamateriaalin vähimmäispaksuus on 2 mm. Valmistajan vastuu on tiukasti kytköksissä jarrupalojen käyttöolosuhteisiin. Sintrattuja jarrupaloja voidaan käyttää vain sellaisille jarrusatuloille, jotka valmistaja on alunperin varustanut sintratuilla jarrupaloilla.

- Kaikki pyörän jarrupalat tulee vaihtaa samanaikaisesti.
- Uudet jarrupalat tulee aina pitää täysin puhtaina, eikä niissä saa olla likaa, öljyä tai muita saastuttavia aineita. Jarrulevyjen jarrutuspintoja ei tule voidella rasvalla tai muulla voite luaineella.
- Jarrupalojen asennuskohdan puhdistuksessa ei suositella käytettäväksi tuotteita, jotka saattavat vahingoittaa kumisia tiivisteitä (esimerkiksi perkloorityppi, bensiini, trikloorietyleeni).
- Jarrusatulan nesteen tuloputkea ei tule koskaan irrottaa.
- Jos on tappeja ja jousia, jotka pitävät jarrupalan paikoillaan, poista ne.
- Pura jarrusatula ja levennä mäntiä käyttäen vanhoja jarrupaloja vipuna ruuvipihdillä tai ruuvimeisselillä, kunnes männät ovat kokonaan jarrusatulassa.
- Asenna jarrupalat siten, että kitkamateriaali on levyä päin.

- Asenna jarrusatula uudelleen tukeen.
- Aktivoi jarrusatulaa, kunnes jarrupalat koskevat levyyn.
- Vältä äkillisiä jarrutuksia ensimmäisten 160 kilometrin aikana (100 mailin aikana) parantaaksesi uusien jarrupalojen istuvuutta jarrulevyyn.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

UPUTE ZA SASTAVLJANJE – UPOZORENJA

Da biste smanjili rizik od nesreće ili ozljede, pridržavajte se sljedećih mjera opreza: postavite kočne pločice sadržane u pakiranju **isključivo** na vozila navedena na popisu odobrenih primjena. Slijedite upute za sastavljanje kočnih pločica proizvođača i povjerite sastavljanje samo kvalificiranom osoblju. Kočne pločice treba uvijek zamijeniti kada se debljina tarnog materijala smanji na 2 mm. Odgovornost proizvođača je strogo povezana uz uvjete korištenja kočnih pločica. Sinterirane kočne pločice treba koristiti samo za čeljusti koje je proizvođač izvorno opremio sinteriranim kočnim pločicama.
- Sve kočne pločice postavljene na kotač moraju se zamijeniti istovremeno;
- Nove kočne pločice treba stalno održavati čistima i ne smiju imati nikakve tragove prljavštine, ulja ili drugih nečistoća. Kočne trake diskova ne smiju se podmazivati mašću ili drugim mazivima;
- Prilikom čišćenja sjedišta kočnih pločica preporučuje se izbjegavati proizvode koji bi mogli oštetiti gumene brtve (npr. nitro-perklorat, benzin, trikloretilen);
- Cijev za dovod tekućine u čeljust se nikada ne smije odvojiti;
- Ako postoje, uklonite klinove i opruge koje drže kočnu pločicu na mjestu;
- Rastavite kočnu čeljust i proširite klipove koristeći stare pločice kao polugu pomoću stezaljke ili odvijača sve dok klipovi ne budu potpuno u čeljusti;
- Namjestite pločice pazeći da ih umetnite s tarnim materijalom okrenutim prema disku;

- Ponovno sastavite čeljust na nosač;
- Aktivirajte kočnu čeljust dok pločice ne dodirnu disk;
- Izbjegavajte nagla kočenja prvih 160 km (100 milja) da bi se poboljšala prilagodljivost novih pločica kočnom disku;

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

ÖSSZESZERELÉSI ÚTMUTATÓ - FIGYELMEZTETÉSEK

A baleset vagy sérülés kockázatának csökkentéséhez tartsa be az alábbiakban felsorolt óvintézkedéseket: a csomagban található fékbetéteket **kizárólag** a jóváhagyott alkalmazások jegyzékében szereplő járművekbe szerelje be. A fékbetéteket a gyártó utasításai szerint megadott módon kell beszerelni. Csak szakképzett szakember szerelje be. A fékbetéteket mindig ki kell cserélni, amikor a súrlódó anyag vastagsága 2 mm-re csökken. A gyártó felelőssége szigorúan a betétek használati feltételeihez kötött.
Szinterezett betétet csak ott szabad használni, ahol a gyártó is eredetileg szinterezett fékbetéteket használt.
- Egy keréken az összes betétet egyszerre kell cserélni.
- Az új betéteket mindig tisztán kell tartani. Ne legyen rajtuk nyomokban sem szennyeződés, olaj vagy egyéb szennyező anyag. A tárcsák fékezéskor ható területeit nem szabad zsírral vagy más kenőanyaggal megkenni.
- A betétház tisztításakor tanácsos kerülni a gumitömítéseket esetlegesen károsító termékek használatát (pl. nitrohígító, benzin, triklór-etilén).
- A féknyereg folyadékellátó csövének a csatlakozását nem szabad soha oldani.

- Távolítsa el a betétet tartó csapokat és rugókat, ha vannak.
- A féknyerget szerelje le, majd a régi betétet emelőként használva csavaros szorítóval vagy csavarhúzóval annyira tágítsa ki, hogy a dugattyú teljesen beüljön a féknyeregbe.
- Szerelje be a betéteket, de ügyeljen arra, hogy a súrlódó anyag a tárcsa felé nézzen.
- Szerelje vissza a féknyerget a tartóra.
- Addig működtesse a féknyerget, amíg a fékbetétek hozzá nem érnek a tárcsához.
- Az első 160 km (100 mérföld) alatt kerülje az erős fékezést, hogy az új fékbetétek jobban igazodjanak a féktárcsához.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

TREORACHA CÓIMEÁLA - RABHADH

Chun aon riosca timpiste nó gortaithe a laghdú, moltar glacadh leis na réamhchúraimí atá liostaithe anseo thíos: ní bheartaítear na pillíní coscáin seo **ach amháin** le feistiú ar ghluaisrothair agus scútair atá liostaithe ar liosta na feidhmithe ceadaithe. Lean treoracha feistithe an mhonaróra i gcónaí agus cinntigh gur pearsanra cáilithe amháin a fheistíonn na pillíní coscáin. Ba cheart na pillíní coscáin a athsholáthar i gcónaí nuair a laghdaíonn tiús an ábhair cuimilte go 2mm. Ní féidir leis an monaróir a bheith faoi dhliteanas as na pillíní coscáin má úsáidtear iad faoi choinníollacha nach bhfuil smacht aige orthu.
Níor cheart pillíní coscán sintéaraithe a úsáid ach amháin le haghaidh cailpéir a bhí feistithe ag an monaróir ar dtús le pillíní coscáin sintéaraithe.
- Ní mór na pillíní coscáin go léir atá feistithe ar an roth a athsholáthar ag an am céanna.

- Ba cheart pillíní coscán nua a choinneáil glan i gcónaí agus gan aon fhianaise de shalachar, ola nó ábhar salaithe eile a bheith orthu. Ná déan lánaí coscáin na ndioscaí a bhealú le ghréisc nó le bealaí eile.
- Ba cheart aird ar leith a thabhairt ar shuíomh an fhoireann coscáin a ghlanadh: ní mór aon táirge a d'fhéadfadh damáiste a dhéanamh do na gaiscéid a sheachaint (m.sh. Caolaitheoir nitro-perclóir, peitreal nó tríchlóireatán).
- Ní féidir an píopa ionrochta sreabháin go dtí an cailpéar a dhínascadh riamh.
- Bain amach na pionnaí agus na spriongaí a choinníonn an pillín más ann iad
- Díchóimeáil an cailpéar coscáin agus leathnaigh na loiní ag baint úsáid as na seanphillíní mar luamhán le teanntán nó scriúire go dtí go bhfuil na loiní go hiomlán sa chailpéir
- Feistigh na pillíní, agus déan cinnte iad a chur isteach leis an ábhar frithchuimilte atá os comhair an diosca.
- Feistigh an cailpéar ar an gcuibheoir.
- Gníomhachtaigh an cailpéar coscáin go dtí go mbeidh na pillíní tar éis teagmháil a dhéanamh leis an ndiosca.
- Seachain coscánú trom ar an gcéad 160 Kms (100 míle) chun inoiriúnaitheacht na bpillíní nua don diosca coscáin a fheabhsú.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

UZSTĀDĪŠANAS NORĀDĪJUMI - BRĪDINĀJUMI

Lai ierobežotu negadījuma vai traumu risku, ievērojiet šādus piesardzības pasākumus: iepakojumā esošās bremžu uzlikas uzstādiet tikai transportlīdzekļiem, kas iekļauti apstiprināto lietojumu sarakstā. Ievērojiet ražotāja norādījumus par bremžu uzliku uzstādīšanu un uzticiet to uzstādīšanu tikai kvalificētam personālam. Bremžu uzlikas vienmēr jānomaina, ja minimālais spilventiņu materiāla biezums ir 2 mm.

Ražotāja atbildība ir cieši saistīta ar pašu uzliku lietošanas nosacījumiem. Sinterētās uzlikas ir paredzētas tikai tiem suportiem, kas ražotājs sākotnēji ir aprīkojis ar sinterētām uzlikām.
- Visas riteņa uzlikas ir jānomaina vienlaicīgi.
- Jaunas uzlikas vienmēr ir jāuztur tīras, bez dubļiem, eļļas vai citiem piesārņotājiem. Bremžu diskus nedrīkst eļļot ar jebkāda veida smērvielu.
- Tīrot uzliku korpusu, ieteicams izvairīties no tādu līdzekļu lietošanas, kas var kaitēt gumijas blīvējumiem (piemēram, perhlor-slāpeklis, benzīns, trihloretilēns).
- Nekad nedrīkst atvienot suporta šķidruma ieplūdes cauruli.
- Tapas un atsperes, kas fiksē uzliku, ir jānoņem, ja tādas ir.
- Noņemiet bremžu suportu un, izmantojot vecās uzlikas kā sviru, ar spīlēm vai skrūvgriezi atbīdiet virzuļus, līdz virzuļi ir pilnībā iebīdīti suportā.
- Uzlieciet uzlikas, raugoties, lai tās tiktu ievietotas ar berzes materiālu pret disku.
- No jauna uzstādiet suportu uz kronšteina.
- Kustiniet bremžu suportu, līdz uzlikas ir pieskārušās diskam.
- Pirmos 160 km (100 jūdzes) izvairieties no straujas bremzēšanas, lai uzlabotu jauno bremžu uzliku pieslīpēšanu pie bremžu diska.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

MONTAVIMO INSTRUKCIJOS – ĮSPĖJIMAI

Siekiant sumažinti nelaimingo atsitikimo ar traumos rizikas, imkitės šių atsargumo priemonių: montuokite pakuotėje esančias stabdžių kaladėles **tik** automobiliuose, kurie nurodyti patvirtintame naudojimo sąraše.

Laikykitės kaladėlių montavimo būdų pagal instrukcijas ant gamintojo dėžės ir patikėkite šiuos darbus atlikti kvalifikuotam personalui. Kaladėlės visada turi būti keičiamos, kai susidėvinčios medžiagos storis yra ne plonesnis kaip 2 mm. Gamintojo atsakomybė taikoma tik kaladėlių naudojimo sąlygoms. Sukepintųjų kaladėlių naudojimas yra numatytas tik spaustuvams, kuriems gamintojas numatė naudoti sukepintąsias kaladėles.

- Visos ant rato montuojamos kaladėlės turi būti keičiamos tuo pačiu metu.
- Naujos kaladėlės turi būti nuolatos prižiūrimos ir valomos bei negali būti apsinešusios purvu, alyva ar kitomis teršiančiomis medžiagomis. Diskų stabdymo takeliai neturi būti tepami tepalu ar kitokia alyva.
- Valant kaladėlių vietas rekomenduojame nenaudoti potencialiai guminėms tarpinėms kenksmingų priemonių (pavyzdžiui, priemonių su perchloru, azotu, benzinu, trichloretilenu).
- Niekada negalima atjungti skysčio įleidimo į spaustuvą vamzdžio.
- Jei yra, išmontuokite kaladėlę laikančius kaiščius ir spyruokles.
- Išmontuokite stabdžio spaustuvą ir išplėskite stūmoklius naudodami senas kaladėles kaip svirtį su gnybtais ar atsuktuvu, kol stūmokliai iki galo atsidurs spaustuve.
- Montuodami kaladėles įdėkite jas taip, kad besitrinanti medžiaga būtų nukreipta link disko.
- Vėl sumontuokite spaustuvą ant atramos.
- Aktyvuokite stabdžio spaustuvą, kol kaladėlės susilies su disku.
- Pirmuosius 160 km venkite staigaus stabdymo (100 mylių) tam, kad kaip galima labiau pagerintumėte naujų kaladėlių prisitaikymą prie stabdžio disko.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

STRUZZJONIJIET GĦALL-MUNTAĠĠ – TWISSIJIET

Biex jiġi limitat ir-riskju ta' inċident jew korriment, osserva l-prekawzjonijiet li ġejjin: immonta l-pads tal-ibbrejkjar li jinsabu fil-pakkett **esklussivament** fuq vetturi fuq il-lista ta' applikazzjonijiet approvati. Segwi l-metodi ta' muntaġġ tal-pads skont l-istruzzjonijiet tal-manifattur u kun żgur li dawn jiġu mmuntati minn persunal kwalifikat biss. Il-pads għandhom dejjem jiġu sostitwiti meta l-ħxuna minima tal-materjal tal-frizzjoni tkun ta' 2 mm. Ir-responsabbiltà tal-manifattur hija strettament marbuta mal-kundizzjonijiet tal-użu tal-pads infushom. L-użu ta' pads sinterizzati huwa maħsub biss għal kalipers oriġinarjament mgħammra b'pads sinterizzati mill-manifattur.

- Il-pads kollha mmuntati fuq ir-rota għandhom jinbidlu fl-istess ħin.
- Il-pads il-ġodda għandhom jinżammu kontinwament nodfa u ma jkollhom l-ebda traċċi ta' ħmieġ, żejt jew kontaminanti oħra. Il-binarji tal-ibbrejkjar tad-diski m'għandhomx ikunu lubrikati biż-żejt jew b'lubrikant ieħor.
- Waqt it-tindif tal-post fejn se jitwaħħlu l-pads huwa rrakkomandat li jiġi evitat l-użu ta' prodotti potenzjalment ta' ħsara għall-gaskits tal-gomma (eż. perkloro-nitroġenu, petrol, triklo roetilene).
- Il-pajp tad-dħul tal-fluwidu fil-kaliper qatt m'għandu jiġi skonnettjat.
- Meta jkunu preżenti, neħħi l-pinnijiet u l-molol li jwaqqfu l-pad.
- Żarma l-kaliper tal-brejk u wessa' l-pistuni billi tuża l-pads il-qodma bħala lieva b'morsa jew tornavit sakemm il-pistuni jkunu kompletament fil-kaliper.
- Immonta l-pads billi tieħu ħsieb li ddaħħalhom bil-materjal tal-frizzjoni wiċċu lejn id-disk.
- Erġa' mmonta l-kaliper fuq is-sapport.
- Attiva l-kaliper tal-brejk sakemm il-pads ikunu jmissu mad-disk.
- Evita li tibbrejkja f'daqqa għall-ewwel 160 km (100 mil) sabiex tittejjeb l-adattabilità tal-pads l-ġodda għad-diski tal-brejkijiet.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain

limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

MONTAGE-INSTRUCTIES - WAARSCHUWINGEN

Neem, om het risico op ongelukken of verwondingen te beperken, de volgende voorzorgsmaatregelen in acht: monteer de remblokken die in de verpakking zitten **uitsluitend** op voertuigen die op de lijst met goedgekeurde toepassingen staan. Bij het monteren van de remblokken moeten de montage-aanwijzingen van de fabrikant worden opgevolgd en vertrouw de montage van de remblokken alleen toe aan gekwalificeerd personeel. De remblokken moeten altijd vervangen worden indien de dikte van het wrijvingsmateriaal verminderd is tot 2 mm. De fabrikant kan niet aansprakelijk worden gesteld voor gebruik van de remblokken in omstandigheden waar de fabrikant geen controle over heeft. Gesinterde remblokken mogen alleen gebruikt worden voor remklauwen die oorspronkelijk door de fabrikant met gesinterde remblokken zijn uitgerust.

- Alle op het wiel gemonteerde remblokken moeten gelijktijdig worden vervangen.
- Nieuwe remblokken moeten altijd schoon worden gehouden en mogen geen sporen van vuil, olie of andere verontreinigingen vertonen. De remvlakken van de schijven mogen niet met vet of andere smeermiddelen worden gesmeerd.
- Bij het reinigen van de houder van de remblokken is het raadzaam om geen producten te gebruiken die schadelijk kunnen zijn voor de rubberen afdichtingen (bijvoorbeeld perchloor stikstof, benzine, trichloorethyleen).
- De toevoerslang van de vloeistof naar de remklauw mag nooit losgekoppeld worden.
- Verwijder, indien aanwezig, de pennen en de veren die het remblok op zijn plaats houden.
- Demonteer de remklauw en spreid de zuigers met een klem of schroevendraaier door de oude remblokken als hefboom te gebruiken totdat de zuigers volledig in de remklauw zitten.
- Monteer de remblokken en zorg ervoor dat u ze plaatst met het wrijvingsmateriaal naar de schijf toe gericht.
- Plaats de remklauw weer op de steun terug.
- Bedien de remklauw totdat de remblokken de schijf raken.
- Vermijd gedurende de eerste 160 km hard remmen, zodat de nieuwe remblokken zich beter kunnen aanpassen aan de remschijf.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty

part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

INSTRUKCJA MONTAŻU - OSTRZEŻENIA

Aby ograniczyć ryzyko wypadku lub obrażeń, należy przestrzegać następujących środków ostrożności: klocki hamulcowe znajdujące się w opakowaniu należy montować **wyłącznie** w pojazdach znajdujących się na liście dopuszczonych zastosowań. Montaż klocków hamulcowych powinien przebiegać zgodnie z instrukcją producenta w wykonaniu wyłącznie wykwalifikowanego personelu. Klocki należy zawsze wymienić, kiedy minimalna grubość materiału ciernego dojdzie do 2 mm. Odpowiedzialność producenta jest ściśle związana z warunkami użytkowania samych klocków hamulcowych. Spiekane klocki hamulcowe należy stosować wyłącznie do zacisków wyposażonych pierwotnie przez producenta w spiekane klocki hamulcowe.

- Wszystkie klocki zamontowane na kole należy wymieniać jednocześnie.
- Nowe klocki muszą być zawsze czyste i nie mogą nosić śladów brudu, oleju lub innych substancji zanieczyszczających. Ścieżki hamulcowe tarcz nie mogą być smarowane smarem ani innym środkiem smarującym.
- Szczególną uwagę należy zwrócić na czyszczenie miejsca montażu klocka hamulcowego: należy unikać wszelkich produktów mogących uszkodzić uszczelki (np. rozcieńczalnik nitronadchlo rowy, benzyna czy trichloroetylen).
- Nigdy nie wolno odłączać przewodu doprowadzającego płyn do zacisku.
- Jeśli są obecne, należy wyjąć kołki i sprężyny mocujące klocek.
- Zdemontować zacisk hamulca i poszerzyć tłoki używając starych klocków jako dźwigni z dociskiem lub śrubokręta, aż tłoki całkowicie znajdą się w zacisku.
- Założyć klocki zwracając uwagę, aby materiał cierny był skierowany w stronę tarczy.
- Ponownie zamontować zacisk na wsporniku.
- Aktywować zacisk hamulca, aż klocki dotkną tarczy.
- Unikać gwałtownego hamowania przez pierwsze 160 km (100 mil), aby poprawić dopasowanie nowych klocków do tarczy hamulcowej.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

INSTRUCȚIUNI DE ASAMBLARE – AVERTIZĂRI

Pentru a limita riscurile de accidentare sau rănire, respectați următoarele măsuri de precauție: montați plăcuțele de frână conținute în pachet **exclusiv** pe vehiculele de pe lista aplicațiilor omologate. Urmați metodele de asamblare a plăcuțelor conform instrucțiunilor producătorului și încredințați-le numai personalului calificat. Plăcuțele trebuie înlocuite întotdeauna la o grosime minimă a materialului de frecare de 2 mm. Responsabilitatea producătorului este strict legată de condițiile de utilizare a plăcuțelor. Utilizarea plăcuțelor sinterizate este destinată numai pentru cleștii montați inițial de către producător cu plăcuțe sinterizate.

- Toate plăcuțele montate pe roată trebuie înlocuite concomitent.
- Plăcuțele noi trebuie păstrate în mod constant curate și nu trebuie să prezinte urme de murdărie, ulei sau alte materiale contaminante. Șinele de frânare ale discurilor nu trebuie lubrifiate cu vaselină sau alt lubrifiant.
- Când efectuați curățarea suprafeței pastilelor, se recomandă să evitați utilizarea produselor potențial dăunătoare pentru garniturile de cauciuc (de exemplu: triclorură de azot, benzină, tricloretilenă).
- Tubul de intrare a fluidului în etriere nu trebuie niciodată deconectat.
- Dacă sunt prezente, scoateți știfturile și arcurile care țin plăcuța.
- Demontați etrierul de frână și lărgiți pistoanele folosind plăcuțele vechi drept pârghie cu o clemă sau o șurubelniță până când pistoanele ajung complet în etrier.
- Montați plăcuțele având grijă să le introduceți cu materialul de frecare orientat spre disc.
- Remontați etrierul pe suport.

- Activați etrierul frânei până când plăcuțele ating discul.
- Evitați frânarea bruscă pentru primii 160 km (100 mile), cu scopul a îmbunătăți adaptabilitatea noilor plăcuțe la discul de frână.

MONTERINGSANVISNINGAR – VARNINGAR

Begränsa riskerna för tillbud eller olyckor genom att iaktta följande försiktighetsåtgärder: Montera de bromsbelägg som finns i förpackningen **enbart** på de fordon som anges i listan över godkända användningsområden. Montera bromsbeläggen enligt tillverkarens anvisningar. Låt endast kvalificerad personal utföra monteringen. Byt alltid ut bromsbeläggen när friktionsmaterialet har slitits ned till en tjocklek på 2 mm. Tillverkaren frånsäger sig ansvar när bromsbeläggen används under förhållanden bortom dennes kontroll. Sintrade bromsbelägg ska enbart användas för bromsok som tillverkaren har utrustat med sintrade bromsbelägg i originalutförandet.
- Samtliga bromsbelägg som är monterade på hjulet ska bytas ut samtidigt.
- Nya bromsbelägg ska alltid hållas rena och får inte ha spår av smuts, olja eller andra förorenande ämnen. Skivornas bromsspår får inte smörjas med fett eller annat smörjmedel.
- Vid rengöring av bromsbeläggens säte ska det inte användas produkter som skulle kunna skada gummipackningarna (t.ex. thinner, bensin, trikloreten).
- Inloppsledningen för vätska till bromsoket får aldrig frånkopplas.
- Ta bort eventuella stift och fjädrar som fixerar bromsbelägget.

- Demontera bromsoket och vidga kolvarna genom att använda de gamla bromsbeläggen som hävarm med en klämma eller skruvmejsel tills kolvarna är helt inuti bromsoket.
- Montera bromsbeläggen. Se till att placera dem med friktionsmaterialet vänt mot bromsskivan.
- Sätt tillbaka bromsoket på hållaren.
- Aktivera bromsoket tills bromsbeläggen har vidrört bromsskivan.
- Undvik bryska inbromsningar de första 16 milen för att förbättra de nya bromsbeläggens anpassning till bromsskivan.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

NÁVOD NA MONTÁŽ - VAROVANIA

Pre obmedzenie rizík nehody alebo úrazu dodržujte nasledujúce pokyny: brzdové doštičky, ktoré sa nachádzajú v balení, montujte **výhradne** na vozidlá uvedené v zozname schválených aplikácií. Pri montáži dodržujte spôsob montáže doštičiek podľa pokynov výrobcu a zverte ju kvalifikovanému personálu. Doštičky musia byť vymenené, keď trecí materiál dosiahne minimálnu hrúbku 2 mm. Zodpovednosť výrobcu úzko súvisí s podmienkami použitia samotných doštičiek. Spekané doštičky sú určené výhradne pre strmene, ktoré boli pôvodne vybavené spekanými doštičkami od výrobcu.
- Všetky doštičky namontované na kolese musia byť vymenené súčasne.
- Nové doštičky musia byť neustále udržiavané v čistom stave a nesmú mať stopy po nečistotách, oleji alebo iných kontaminujúcich látok. Brzdný povrch kotoučů nesmí být namazán mazacím tukem nebo jiným mazivem.

- Pri čistení uloženia doštičiek sa odporúča nepoužívať výrobky, ktoré sú potenciálne škodlivé pre gumové tesnenia (napríklad perchlór-dusík, benzín, trichlóretylén).
- Rúrka pre vstup kvapaliny do strmeňa nesmie byť nikdy odpojená.
- Keď sú súčasťou čapy a pružiny, ktoré uchytávajú doštičku, odmontujte ich.
- Odmontujte brzdovú doštičku a roztiahnite piesty s použitím starých doštičiek ako páky, so svorkou alebo skrutkovačom až po úplné zasunutie piestov do strmeňa.
- Namontujte doštičky, pričom dbajte, aby pri vkladaní smeroval trecí materiál ku kotúču.
- Namontujte strmeň na držiak.
- Aktivujte brzdový strmeň, ak sa doštičky nebudú dotýkať kotúča.
- Počas prvých 160 km (100 míľ) prudko nebrzdite, aby sa nové doštičky lepšie prispôsobili brzdovému kotúču.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

NAVODILA ZA NAMESTITEV – OPOZORILA

Za omejitev tveganja nesreče ali poškodbe upoštevajte naslednje previdnostne ukrepe: V paketu prisotne zavorne ploščice namestite **izključno** na vozila, ki so na seznamu za odobreno uporabo . Ploščice namestite v skladu z navodili proizvajalca, izvedbo pa zaupajte samo usposobljenemu osebju. Ploščice je treba vedno zamenjati pri minimalni debelini tornega materiala 2 mm. Odgovornost proizvajalca je močno vezana na

pogoje uporabe samih ploščic. Uporaba sintranih ploščic je dovoljena samo za čeljusti, ki so bile originalno opremljene s sintranimi ploščicami proizvajalca.
- Vse na kolesu nameščene ploščice je treba zamenjati istočasno.
- Nove ploščice morajo biti vedno čiste in na njih ne smejo biti sledi umazanije, olja ali drugih onesnaževal. Torna površina kolutov ne sme biti namazana z mastjo ali drugimi mazivi.
- Pri čiščenju sedežev ploščic je priporočljivo, da se izogibate uporabi izdelkov, ki so lahko škodljiva za gumijaste obloge (npr. perklorodušika, bencina, trikloroetilena).
- Cev za dovod tekočine v čeljust ne sme biti nikoli odklopljena.
- Če so prisotni zatiči in vzmeti, ki držijo ploščico na mestu, jih odstranite.
- Odstranite zavorno čeljust in razširite bate s pomočjo klešč ali izvijača – pri čemer uporabite stare ploščice kot vzvod – dokler bati niso povsem v čeljusti.
- Namestite ploščice in pri tem pazite, da bo torni material obrnjen proti kolutu.
- Zavorno čeljust namestite nazaj na nosilec.
- Aktivirajte zavorno čeljust, dokler se ploščice ne dotaknejo koluta.
- Izogibajte se sunkovitemu zaviranju med prvimi 160 km (100 miljami) vožnje za čim boljšo prilagoditev novih ploščic zavornemu kolutu.

LIMITED WARRANTY

This product is warranted by the manufacturer as having no defects in materials and workmanship from the consumer's date of purchase. **NO OTHER EXPLICIT WARRANTIES EXIST. IMPLICIT WARRANTIES ARE LIMITED TO 30 DAYS FROM THE DATE OF PURCHASE, AND WARRANTY OF MERCHANTIBILITY OR FITNESS FOR A PARTICULAR APPLICATION ARE INCLUDED.** In case of any warranty claims, customers are kindly requested to address the dealer, giving proof of purchase. The repair or replacement of the faulty part(s) are to be considered the only remedy under the explicit warranty mentioned above, and any implicit warranty, at the total discretion of the manufacturer.*

THE MANUFACTURER SHALL IN NO CIRCUMSTANCE BE CONSIDERED LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, STATUTORY OR EXEMPLARY DAMAGES, WHETHER THE ACTION IS BASED IN CONTRACT, WARRANTY, NEGLIGENCE OR STRICTLIABILITY.

*Note - In some countries duration limits of an implied warranty are not permitted, nor are exclusions or limitations of incidental damages or interest permitted. Therefore, in cases such as these, certain limitations and exclusions of warranties may not be effective in some countries. Through this guarantee you may benefit from certain specific legal rights, other rights may vary from country to country.

INSTRUÇÕES DE MONTAGEM - ADVERTÊNCIAS

Para limitar o risco de acidentes ou lesões, observe as seguintes precauções: instale as pastilhas de freio contidas na embalagem **somente** em veículos que constem da lista de aplicações aprovadas. Siga o método de instalação das pastilhas de acordo com as instruções do fabricante e deixe que elas sejam instaladas somente por pessoal qualificado. As pastilhas devem sempre ser substituídas quando

alcançarem uma espessura mínima de material de atrito de 2 mm. A responsabilidade do fabricante está estritamente vinculada às condições de uso das próprias pastilhas. O uso de pastilhas sinterizadas destina-se apenas a pinças originalmente equipadas com pastilhas sinterizadas pelo fabricante.
- Todas as pastilhas montadas na roda devem ser substituídas ao mesmo tempo.
- As pastilhas novas devem ser mantidas constantemente limpas e não devem apresentar traços de sujeira, óleo ou outras substâncias contaminantes. As pistas frenantes dos discos não devem ser lubrificadas com graxa ou qualquer outro lubrificante.
- Ao limpar os assentos das pastilhas, é recomendável evitar o uso de produtos potencialmente prejudiciais aos revestimentos de borracha (por exemplo, tetracloroetileno, gasolina, triclo roetileno).
- O tubo de entrada do fluido na pinça nunca deve ser desconectado.
- Quando houver, remova os pinos e as molas que retêm a pastilha.
- Desmonte a pinça de freio e alargue os pistões usando as velhas pastilhas como alavanca com uma pinça ou chave de fenda até que os pistões estejam completamente dentro da pinça.
- Monte as pastilhas, tomando cuidado para inseri-las com o material de atrito voltado para o disco.
- Remonte a pinça de freio no suporte.
- Acione a pinça de freio até que as pastilhas tenham tocado o disco.
- Evite frear com força nos primeiros 160 km (100 milhas) para melhorar a adaptabilidade das novas pastilhas ao disco de freio.
